

取手市緑の審議会委員における公募委員決定の評価基準

【選考基準】

The image consists of two vertical columns of horizontal black bars. The left column has seven bars, and the right column has four bars. Each bar is a solid black rectangle. The bars in each column are aligned vertically and overlap slightly at their outer edges. The spacing between the bars within each column is uniform. The entire arrangement is set against a plain, light-colored background.
